

CHRISTMAS CONCERTS

Once again Hermanus Cancer Fund is delighted to announce two very special Christmas concerts to be held in the cellar of Bouchard Finlayson on Monday 19th and Tuesday 20th December. As in previous years the concerts are very generously sponsored by Charles and Lilian Lloys-Ellis and hosted by Peter Finlayson.

Our guest musicians this year will be the very talented saxophonist, Maxine Matthews (photo) accompanied by Christopher Duigan, a highly regarded pianist and very well known to Hermanus audiences.

All funds raised will be used to support those suffering from cancer and their families in this area around Hermanus from Gansbaai to Kleinmond through organizations in the field of palliative care such as Overstrand Hospice, CANSA and community nursing sisters.

The concerts begin at 6.30 pm with a glass of wine being served at 5.45 pm. For tickets which are R150, please ring 028 3121485 or 028 3131663

We look forward to seeing you there!
